in height in the B and F tents. Sides of displays cannot extend out more than 4' from the backdrop. The remaining 4' along the sides of the booth cannot exceed 3' in height.

LAND EXHIBITS

All land exhibits must remain within the confines of their rented space and may not interfere with adjoining exhibits. A detailed move-in time schedule will be on line by March 25. To insure a smooth setup, it should be strictly obeyed. Manufacturers shipping boats to Bay Bridge Marina should advise drivers of their scheduled move-in time. Set-up dates will be Wednesday and Thursday, April 10 or 11.

No structures, including tents or canopies can be erected over land spaces without written permission from Show Management.

WATER EXHIBITS

You will receive detailed instructions in a subsequent bulletin about docking and when you should arrive with your boat. It is essential that Show Management has at least one cell phone number for a member of your delivery crew. Each boat must be equipped with an adequate anchor, six docking lines and fenders.

All boats must be manned by each exhibitor's delivery crew or boat handling charges will be billed to the exhibitor at the show. Boats must have crews on board until completely tied into assigned space locations. If show staff has to assume the responsibility of moving boats, the cost will be borne by the exhibitor.

Absolutely nothing may extend more than two (2) feet onto the docks. This includes, but is not limited to, boarding steps, ramps or other boarding apparatus, countertops, desks, seating, storage units, or any structures for display purposes or for any other reason. Show Management reserves the right to remove any structure of any size or type that in its sole discretion impedes the flow of traffic on the docks.

THE DOCKS AT BAY BRIDGE MARINA ARE NEW. PLEASE USE A CLAMP TO ATTACH FLAGS, SIGNS, ETC. EXHIBITORS ARE NOT ALLOWED TO DRILL HOLES IN THE DOCKS FOR ANY REASON.

All boats on display in the show shall be open to the viewing public during the stated hours of the show irrespective of whether the boat or boats have been sold.

For safety and security, no dinghies can be permitted to tie up on the show grounds.

The Fire Department requires that anyone living aboard a boat during the show have a smoke detector installed on board. Please be sure that you comply with this requirement.

PARKING: We encourage exhibitors to park in the designated "Exhibitor Parking" area. No vehicles or trucks will be allowed to park overnight in the lots between the Marina and Hemingways or along Pier One Road.

FORKLIFT TRUCKS: Forklift trucks will be available Wednesday and Thursday from 8:00 A.M. to 8:00 P.M. to help in setting-up exhibits. This equipment will also be available after the show to help in removing exhibits.

LAUNCHING FACILITIES: Launching facilities at the marina include a forklift and two travel lifts. If you need to use these facilities, please contact Bay Bridge Marina, 410-643-3162, to make arrangements. There are no boat ramp facilities available at the marina.

INSURANCE: Management carries no liability or property insurance for exhibitor or exhibitor's personal property. Exhibitor warrants that exhibitor carries general liability insurance in the amount of at least \$1,000,000.00 combined single limit and names management (**International Boat Shows, Brothers Properties & Bay Bridge Marina**) as additional insured. Exhibitor will provide a certificate of insurance to management showing such insurance prior to set-up for show.

Exhibitors needing liability insurance may want to contact Bob Elling, Annapolis Insurance Associates, LLC at 410-991-9801, bellings2@verizon.net.

INFLAMMABLE MATERIAL WARNING! Fire regulations are rigidly enforced by the Fire Marshall. The use of paper decorations is not permitted and all decorative materials must be flame-retardant. This means that they must not support combustion if ignited by the Fire Marshall when he inspects your exhibit. Material that does not pass the flame test will be removed by the Fire Marshall.

SIGNS: Signs are not provided by Show Management. You may bring your own signs to the show.

EXHIBIT BACKGROUNDS IN TENTS: Tent exhibitors in tents A or E will be provided with 8' high drapery backgrounds and 3' high drapery dividers.

DRESS SHIP: Boat exhibitors are requested to "dress ship" to improve the general appearance and atmosphere of the show.

CLEANING EXHIBITS: Exhibitors must keep their booths clean and neatly arranged. The aisles will be swept daily but this service does not include dusting, arranging or otherwise maintaining exhibits.

DISPENSING OF ALCOHOLIC BEVERAGES: Due to liquor law liability and insurance consideration, Show Management must prohibit exhibitors from dispensing alcoholic beverages at the show. Exhibitors who desire to hold parties or other functions where alcohol will be served must complete a Party Permit Application which can be found, along with the Party Permit Notice, on our website, www.annapolisboatshows.com, under Bay Bridge Boat Show, For Exhibitors.

PETS: Due to health and safety regulations, pets (including pets that fit in a carry bag) are not allowed except for licensed service dogs wearing their vests.

BLIMP POLICY: We recognize that certain exhibitors find some promotional value in using helium or hot-air balloons, dirigibles or blimps as part of their displays. However, we have noticed instances where these lighter-than-air devices have soared out of control in high wind conditions and posed a serious threat to the safety and serenity of passersby. If you must bring such devices to the show, you

will be held responsible for their safe tethering under all weather conditions. The Show Management reserves the nonnegotiable right to require exhibitors to remove any display material, including balloons, dirigibles or blimps, which we, at our sole discretion, decide may become harmful or offensive to visitors or other exhibitors. If you have any questions regarding the appropriateness of any exhibit material, you should consult the Show Manager.

TELEPHONE SERVICE

TELEPHONE SERVICE: Telephone service may be ordered from Annapolis Telephone Co. and their phone number is 410-507-5186. We suggest that as soon as you know your phone number you advise your home office and the Show Office of this number.

ELECTRICAL SERVICE

ELECTRICAL SERVICE: A minimum of 120V/30A Hubbell twist lock type receptacle will be provided for each boat in the water. If you have questions about your slip's electric, please call the marina office at Bay Bridge Marina, 410-643-3162, with your dock/slip number. Each tent exhibitor will have available one 500 watt standard 3 prong grounded receptacle. No single receptacle is to use more than 600 watts (5 amps). Land exhibitors are not guaranteed electrical service. If you have a land exhibit and require electricity, please contact the Show Office immediately.

EXHIBITOR CREDENTIALS

The purpose of exhibitor badges is to allow the free entry of **EXHIBITOR EMPLOYEES STAFFING EXHIBITS ONLY**. These will be provided to each exhibitor upon submission and approval by Show Management of a list of authorized personnel. Exhibitor badges, valid for the entire length of the show, will be issued for each person working at your exhibit. Part-time or occasional booth workers **ARE NOT** issued permanent credentials, but can be listed on a roster at the Show Office where check-in, proof of identity and employment are required.

BADGES MUST BE CONSPICUOUSLY WORN BY THE EXHIBITOR EMPLOYEE WHILE ON THE SHOW GROUNDS. Badges are not transferable and the badge holders will be required to show proof of identity and employment with your firm. Any misuse of the badges will result in the credential being revoked by Show Management.

Guests, customers, non-working employees, children and spouses of the exhibitor should be provided with **EXHIBITOR GUEST TICKETS** supplied by the exhibitor. These tickets are available through our office for this purpose and can be purchased for \$6.00 per ticket. Exhibitor Guest Ticket form can be found on our website under For Exhibitors.

AN \$8.00 FEE WILL BE CHARGED FOR EACH REISSUED CREDENTIAL.

The number of badges per exhibitor must be limited to a reasonable quantity. **Six (6) badges per booth, three (3) badges for each additional booth, three (3) badges per boat, and six (6) badges for land spaces** have proven to be ample for most exhibitors. Special needs requiring more than this number should be addressed in writing to the Show Management.

**ALL SPACE RENTAL MUST BE PAID IN FULL PRIOR TO SETTING UP YOUR EXHIBIT.
BADGES WILL NOT BE ISSUED UNLESS YOU HAVE PAID FOR YOUR SPACE.**
